Tent Community Thanksgiving Dinner

It turns out that there is great joy in having much to share. Or rather, "it is in giving, that we receive." Either way, the Thanksgiving dinner, so generously prepared and served on Sunday, November 21st, was received by 45-50 grateful hearts. Though maybe not as grateful as the hearts who served them. To those serving, it was a reminder that the best thing about "having" is being able to give.

To those of you who prepared such an abundant meal, know that every person who received your gift, most definitely slept more peacefully that night. It's unlikely that any of our guests have had a dinner like that in a very, very long time! Their hearts and bodies were nourished and they were undoubtedly reminded that they are worthy of the very best! The food you contributed was homemade and delicious—something each of you would serve your own family.

Tables were set up with blankets and tarps — coats, hats, gloves and socks. Our guests received the experience of "shopping" before and after dinner...thanks to you. This experience was rich in normalcy for them — an unexpected blessing — and hopefully relieved a bit of burden from their shoulders.

It seems that small things matter more than we realize. Thank you for doing whatever small thing you did. It was received BIG.

Hot Meals Ministry

Hot Meals Ministry has been active weekly for the past year as many of you have gathered in Shuler Hall each Monday to prepare and deliver freshly prepared meals to those without permanent housing. Typically, 30-36 individual meals are delivered each time. As we congratulate this important ministry on its one year anniversary, we also want to remind everyone that your financial donations are always needed. Simply write "Hot Meals" on the memo line of checks, which you may drop in any weekend Mass collection basket or bring by the office (or drop box after business hours). Let us continue to serve cost-efficient and nutritious hot food weekly to people who both need and appreciate our kindness. This is one way that we are church to the world and it begins with serving those in need in our local community. Thanks to those who have already made donations. Please consider making a periodic donation to HMM.
