Dear Parishioners,

I thank you for your tremendous support as I near the two-year anniversary of my time at OLMCC on July 1. Going forward, I want to encourage each of you to continue to make suggestions and, more importantly, help to implement the proposals that you make. We can only accomplish things by stepping up to participate. In recent weeks I have heard some wonderful suggestions. Two examples: Young Families' Ministry, a great idea and I am all for it. Young parents, it is you who will have to make this happen. It is as simple as two or three families with children arranging to use the parish hall, including outdoor area and playground. I will always support this and make sure the facility is available for any regular young family days or nights that the group wants to have, perhaps quarterly or monthly. Another recently proposed ministry is a Hospitality Team which would be especially geared toward days when there are receptions and/or visitations in conjunction with a funeral. I am also open to a singles' ministry, a widows' and widowers' ministry, a new parishioners' welcoming ministry and any other number of potential ministries that you, the people of God, discern a need for, and are willing to help implement. If everyone steps up just a little, so much can be accomplished. May the Lord bless our wonderful Church on the Mount during the Summer of 2022. Peace to all of you!

In Christ,

Fr. Mark Thomas
